

Thank You for Supporting EPIC Option!

Your signature on the petition shows that you believe in EPIC Option, and we're so grateful for your support.

EPIC Option is powered entirely by volunteers. We don't have any paid staff, which makes it incredibly challenging for our small but dedicated team to gather the thousands of signatures needed to get a constitutional amendment on the ballot.

That's why we need *everyone* who supports EPIC Option to join the team, and help in at least one of two powerful ways:

- ~ **Collect Signatures**, or
- ~ **Donate \$250** so we can hire a professional circulating firm to gather signatures on your behalf.

Here's the bottom line:

Would you rather donate \$250 now and *never pay property taxes again*, or risk EPIC Option not making it to the ballot, and face another property tax increase next year?

This is a team effort, and it takes all of us across Nebraska to make it happen.
